HAZEM ALNEMR

*"Fitness meets adventure
in Bali"*

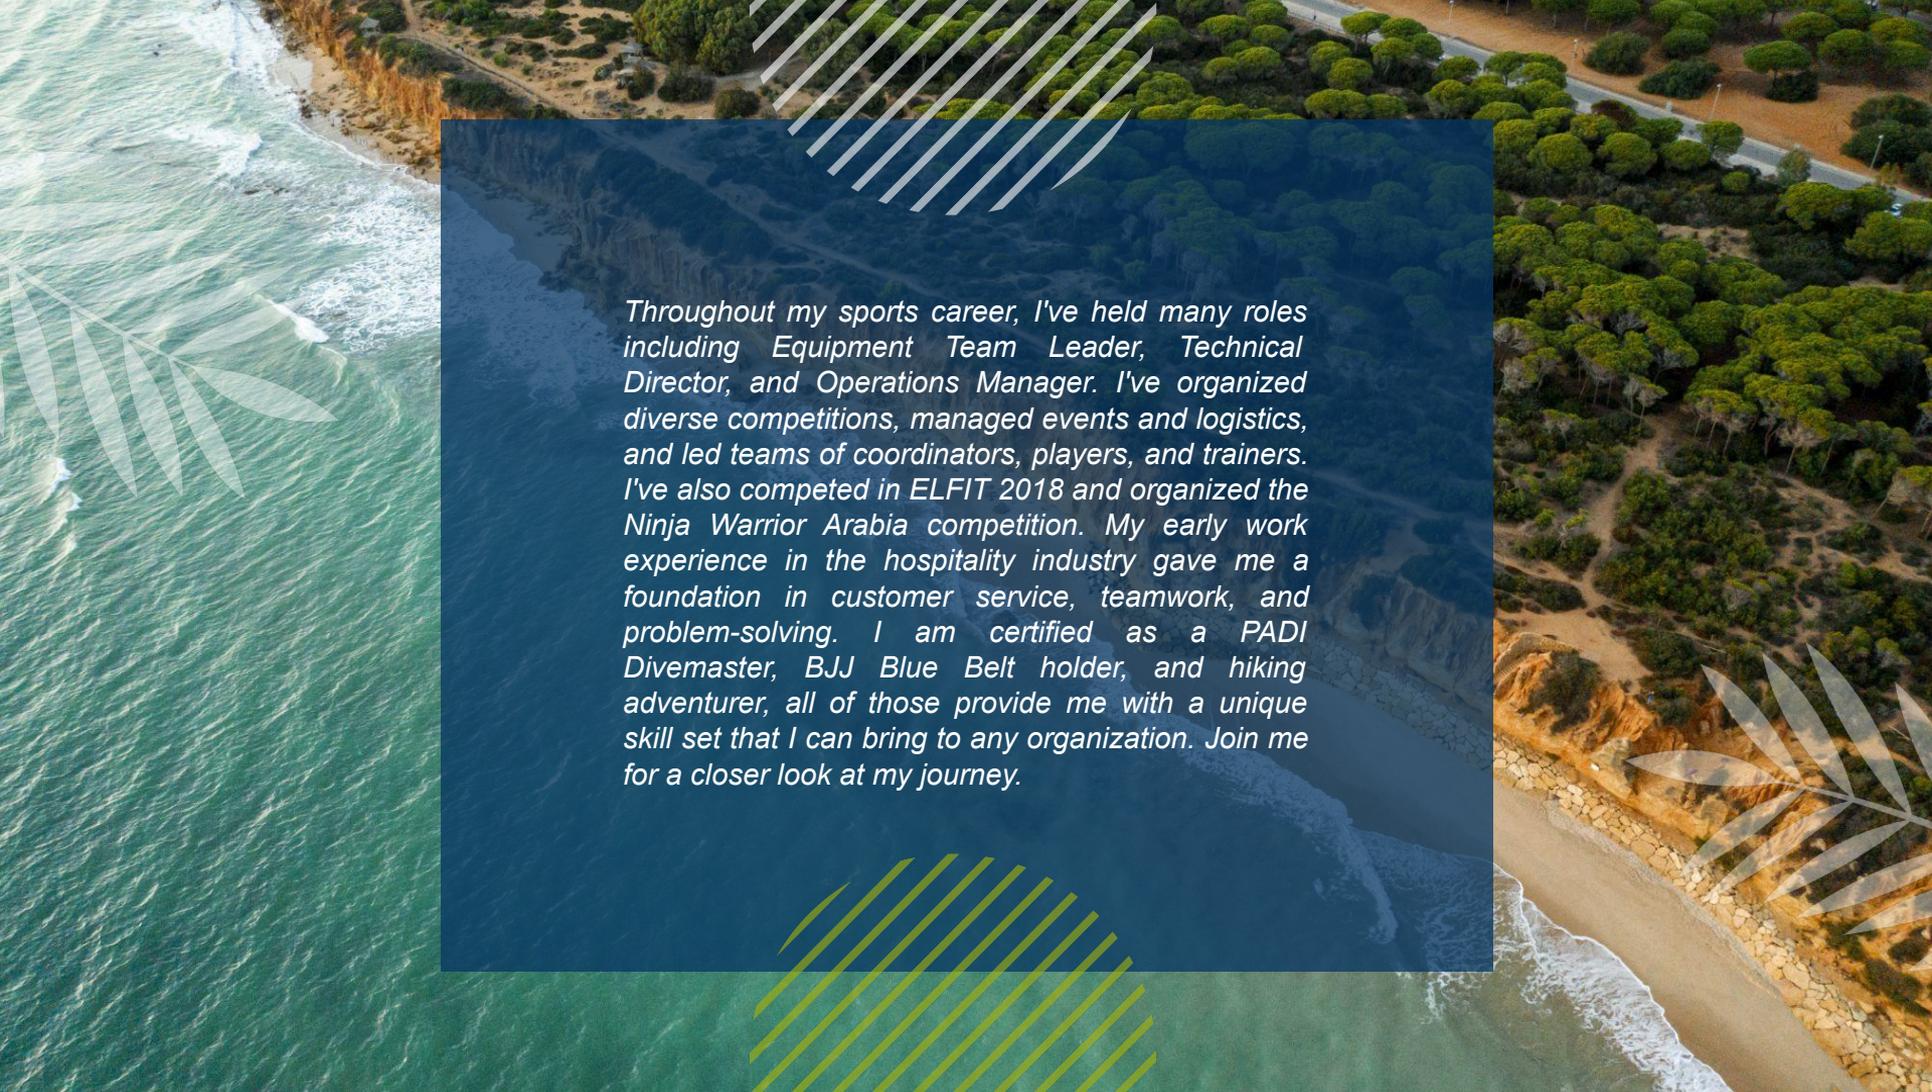

Hey There,

Hi, I'm Hazem and I'm starting a new fitness-tourism business in Bali! I'm an industry expert in Crossfit, hiking, and gym activities, with experience in operation management, leadership coaching, sales, training, event planning, and organizing.

My business offers a unique and immersive travel with a fitness experience that combines the beauty of Bali with the passion of sport and adventure. I'm committed to creating a personalized fitness package that's perfect for athletes and fighters who want to maintain a healthy lifestyle while exploring new places.

I'm looking for partners who share my passion for fitness and adventure to join me in becoming the go-to fitness destination in Bali. Let's team up and offer a one-of-a-kind fitness experience that helps people achieve their fitness goals while exploring the beauty of Bali!

Throughout my sports career, I've held many roles including Equipment Team Leader, Technical Director, and Operations Manager. I've organized diverse competitions, managed events and logistics, and led teams of coordinators, players, and trainers. I've also competed in ELFIT 2018 and organized the Ninja Warrior Arabia competition. My early work experience in the hospitality industry gave me a foundation in customer service, teamwork, and problem-solving. I am certified as a PADI Divemaster, BJJ Blue Belt holder, and hiking adventurer, all of those provide me with a unique skill set that I can bring to any organization. Join me for a closer look at my journey.
